Dear Metro Council Member,

Thank you for the work you do for our city. Like you, I love Nashville and want to see it keep moving forward.

I am writing to express my **strong support for a new enclosed stadium** for Nashville, and I ask that you **vote in favor of the proposal**.

I agree that the current lease agreement is not a good deal for taxpayers like me, and I support shifting the burden of costs away from our city's General Fund and to the Tennessee Titans/NFL, state funding, and visitors through the 1% hotel occupancy increase and sales taxes collected at the stadium and surrounding campus.

I am excited about the prospect of returning valuable land around the stadium for greenspace, affordable housing and transit as the city undertakes thoughtful redevelopment of the East Bank. Additionally, I know that an enclosed stadium will generate increased economic activity for local businesses and our city as we attract major events, like the Super Bowl, Final Four, College Football Playoffs, and WrestleMania. Your support is a 30-year decision that will shape the future of Nashville in a unique and positive way.

Thank you for your service to our city. Again, **I urge you to vote in support of the stadium deal** and all it would do to continue making Nashville a great place to live, work, be entertained, and visit.

Sincerely,
